Our Core Values

At Sundrop Fuels, we live by core values that guide our behaviors, actions, and decisions. We are unwavering in our application of and commitment to these values.

People

We employ exceptional individuals who are driven to succeed. We work together with mutual trust and respect, assisting each other to grow and develop.

Innovation

We create innovative solutions that capitalize on technical and business opportunities. We apply these solutions to build our company and grow our competitive advantages.

Performance

We create superior economic value for our shareholders. We promote mutual success for business partners by forging long-term strategic relationships.

Stewardship

We are responsible and passionate stewards of our planet, communities, and business. We are committed to excellence in Safety, Health, and Environmental performance.

Integrity is our foundation.

We have the courage to do what is right.
We are honest, straightforward, and take responsibility for our words and actions.
